President Juan Santos
Casa de Nariño
Carrera 8 No. 7-26
Bogotá, DC
Colombia

Dear President Santos and General Salgado:

We continue to receive disturbing reports from the Peace Community of San José de Apartadó, residing in San Josecito, that paramilitary units have been collaborating with Colombian army soldiers from the 17th Brigade based in Carepa in making threats against members of the Peace Community.

We urge you, President Santos and General Salgado, to investigate the threatening incidents and sanction those soldiers responsible for them and to pursue and arrest the paramilitary forces, who are organized under the name "Los Gaitanistas."

We request that General Salgado provide us with a report on the measures he takes to protect the Peace Community and to pursue and dismantle the paramilitary forces.

Thank you for your attention and anticipated action.

Sincerely,

Jack Laun
